On the night you were born, the moon smiled with such wonder that the stars peeked in to see you and the night wind whispered. "Life will never be the same." On the night you were born, the whole world came alive with thanksgiving. The moon stayed up till morning. The geese flew home to celebrate. Polar bears danced. On the night you were born you brought wonder and magic to the world. Here is a book that celebrates you. It is meant to be carried wherever life takes you, over all the roads, through all the years. Nancy Tillman is a successful greeting card designer and former advertising executive who created *On the Night You Were Born* to convey to children, at an early and impressionable age, that "You are the one and only ever you." Nancy Tillman lives in Portland, Oregon, with her husband and their two children.

excellent.

Este libro hacer sentir muy especial a mi hija de 3.5 años. Lo leemos desde que tiene 2 y le fascina ver como todos celebran su existencia y cantan su nombre. Es muy especial.

Translation to Spanish is not exact but it's ok, have some parts not translated. I didn't mind because I speak Spanish also and I'm able to use the proper translation.

This book is okay. The drawings aren't anywhere as pretty as the ones from other Tillman books. Some of the translations are off also. The owl speaks in English.

A "must have" on your baby's library!

Beautiful book
