## Customer Reviews

Great guide for Brazil. I wish that I had this 2 years ago when I visited.

A fun read that has some good information you wouldn't find in traditional travel guides. Richard is clearly an interesting chap and I look forward to his next book.

I've been to Brazil before, but there's a lot in here I didn't know. If you want to get away from the usual tourist trail, this book is for you.

Great little book! Tons of amusing little insights on hidden gems all over Brazil - super excited to put what he says into action!

Great read. This inspiring book is perfect for those who are interested in social entrepreneurship and, of course, Brazil.
