Johnny Hunt is the senior pastor of First Baptist Church of Woodstock and a former president of the Southern Baptist Convention. He holds an MDiv from Southeastern Baptist Theological Seminary and has received several honorary doctorate degrees. Johnny and his wife, Janet, have two daughters and four grandchildren.

Pastor Hunt spells out plainly the kinds of strongholds in Christian men's lives that we Christians like to pretend we don't have problems with. His straightforward candor and his practical advice that doesn't pander to or compromise with sin is what makes this book so good. This book is written with men in mind, but it's good advice for men and women alike.

A good basic guide for new Christians also a good reference for mature Christians to stay focused

,maybe even rejuvenate a stagnate spirit.

Great book I think all men need to read. There is a lot of good advice in this book..Jesus loves us and we need to focus on him and his word so we can get ride of these strongholds..Thank you Mr Hunt for writing this book it a blessing to me and will help thru life difficult times..G Pope

READ IT NOW!!!!!! I love the way the Lord works through Johnny Hunt. Go watch his sermons on their website!!!!

This book is very conversational and engaging. It's strength is it's honesty about what every man faces. The struggle with sin is real and Johnny Hunt shows how sin can become a stronghold that will destroy your life. He then proceeds to equip you for the battle by outlining what the Bible teaches. A must read for all men because all men sin and all men can overcome.

Best book I've read in a long time. We all have strongholds, we just don't admit it. This book breaks down these hidden strongholds and gives you scripture and guidance on how to rid yourself of them. A must read for every Christain

Good practicals given. Enjoying it so far. Needed material for society and culture currently. Distraction versus Attraction had good illustrations.

I recommend this book, whether you have a stronghold or not. It will help keep you from falling. It reminds one of or explains for the first time the tools available to stand.
