Man Of God: Leading Your Family By Allowing God To Lead You

Synopsis

What does it take to be a "cereal" man? You don't have to be perfect to be a man of God. As Dr. Charles Stanley writes, a man of God is a maturing man, a striving man, a knowledgeable man. And the first step in real manhood is spiritual rebirth. In *Man of God*, Dr. Stanley asks and answers questions such as these: What can we learn about manhood from Jesus's example? How does a true leader allow God to lead him? Why is a godly man "both velvet and steel"? What does it look like to be a provider? What does it mean to lead with sensitivity? *Man of God* will challenge and equip you to become a better leader, teacher, father, and husband. What makes a man? The answer starts here. Includes study guide for individuals or groups.

this is not read by Charles Stanley, so the product was a bit disappointing. However, this is not the fault of the seller...it just isn't read by a great audio reader.

if only parents would teach their children about God we would have a different world to live in for them and our grandchildren.

Excellent book for anyone who takes the man's responsibility seriously.

I think all Christians should read this book. Men and women. This book is outstanding!

What can I say, it was just what I needed for our group meeting. Charles Stanley books are always a blessing. Can't wait to use more of his books for further studies.

This book really moving to my spirit. I personally have not heard or read any men of God express the role of a godly man as well as Dr. Charles Stanley. This man is a truly a man of God and his writings support this observation. Our churches needs to stand up and show our children what a man truly represents and what a blessing having a family is. This book does a fabulous job supporting the fact that with any blessing come great responsibility. Dr. Stanley uses many scriptures directly from the bible to support his reasoning for what a godly man should always strive to become. I also appreciate how this book has a way of encouraging you while discussing sensitive topic. The topics in this book are the foundation of any family and church. 1 Timothy 4-5 "One that ruleth well his own house, having his children in subjection with all gravity; (For if a man know not how to rule his own house, how shall he take care of the church of God?). I hope my review has helped.

It brought to light so many things I as a father need to be responsible for. It helped to clarify what God wants me to do as the leader of the household. And where I stand as his son. Great book. I would recommend it to any father/husband out there.

Charles Stanley is awesome.
