STORY OF JUNIPERO SERRA

Synopsis

Father Junipero Serra journeyed thousands of miles across the sea, over high mountains, through hot deserts and frightening jungles--from Spain to Mexico to California. This dedicated and determined missionary was one of California's first settlers, and it was he who founded its first nine missions and devoted his life to working with the Indians.

Grade 3-6 White retells the adventures, hardships, and contributions of Father Junipero Serra. While there is nothing exciting about the format, illustrations, content, or style of this book, it would be useful as an introduction or supplement to the study of Father Serra and the California missions. As a read-aloud, it would provide students with a colorful overview of Serra's life, although one that is simplistic and unfailingly positive. I think this book does an excellent job for students and parents/adults alike, to see just how

influential and positive Father Junipero Serra really was. He was a man who had extraordinary vision for the lives of the people he touched. He was committed in his faith, and this biography depicts this strongly. Also, students will learn of his fortitude in tough times, as well as his ability to find the good in everyone and in every situation. The illustrations are rich, full of life, yet the text is still inviting to younger readers. After you come to the end of this book, you feel like you had a small glimpse into the life of an incredible individual. Though a bit long for some younger readers, this is a must read for anyone interested in the birth and formation of California Missions.

Great children's book..truly a saint!
