Hummingbird

Synopsis

Dark, deviant, and deliriously funny, Jude Angelini writes in the colloquial vein of Charles Bukowski, using his unique, natural voice to tell stories from his life. He writes about his sexual encounters - both strange and intimate - alongside stories from his childhood and his tell-all experiences with "science drugs". Throughout it all, Jude is critical of himself and his actions, proving himself to be vulnerable, lonely, and extremely relatable. A stellar follow-up to *Hyena*.

Customer Reviews

Such an amazing read. It's a beautiful disaster lol. Jude has gone through some crazy stuff in his life., and that's why I love him. Because so have I!! This book is so good I read it twice already, and was lucky enough to get a signed copy. I listen to his radio show everyday, and have read *hyena* probably 5 times. You will not be disappointed!
