Using them with my 4yr old. Perfect. Lots of cards, great price, better than brick and mortar retailers. Highly recommend to help identify letters/words/numbers.

Good Quality. We have only used the ABC cards but it does appear to come with a step 2 and 3 that are more complex. Son loves them. Pictures are easily recognizable.

Our grandson was a little behind when he started Kindergarden but these have helped him advance and keep up with his class.

Very good product and seller. Delivered as promised.

I am home schooling a 4 year old from these cards and not he is in K reading.

Thank you!

Fun and Engaging

The cards are great and there are so many but they're pretty thin, making wear and tear a bit of an issue sooner than I would have liked.
