Descendants 2: Mal's Spell Book 2: More Wicked Magic

Synopsis

Descendants 2 fans will adore this all-new Spell Book. When Mal first got to Auradon, she used her spell book to try and destroy the place, and then she used it to fit in there. And then it fell into the wrong hands. . . Or should we say tentacles? This spell book has been completely updated with fresh spells, plus brand new comments, photos, and inside information from villain kids Mal, Evie, Jay, Carlos. . . and Uma. This is the next chapter in their story.

Customer Reviews

My daughter loved the book! Good quality hard bound book similar to the first book in terms of how it is written.

Great continuity to the first book

UPDATE: I contacted Customer Service and they are sending me a replacement book at no charge. Thank you, !The book itself is beautiful, great details, a fun accompaniment to the movie. However, when I opened my package, it had a big slice down the middle of the cover. The book was on the bottom of my box, face down under other items, so I know I didn't cut it when I opened

the box. My daughter did chores to earn this book. She will be disappointed when she sees the damage.

My girl love it

My girls love everything Descendants! My oldest just turned 8 and she had a Descendants themed party. She was so excited to get the spell books!

My granddaughter loved it
