This book had me at the African American couple on the cover, but what's inside is even better. It's a collection of the most tuneful and nostalgic songs of the American WW II, from The Boogie Woogie Bugle Boy Of Company B, to tear jerkers like I'll Be Seeing You, and The White Cliffs Of Dover. The songs are not all war-themed; I'm loving that songs like Sentimental Journey, and That Old Black Magic are included too. There are pages of photographs and history that make this a fun

book to just curl up with and read. I love this book for the lovely music, the guitar chords, and the fairly easy piano accompaniments. If you're a singer, a pianist, or just love a stroll down Memory Lane with the Greatest Generation, this book is for you!

It is perfect to use at my retirement home, as the residents all remember the songs. It arrived in perfect condition. Couldn't be happier with this purchase. I also love that it's neither too simple or too difficult. The arrangements are well done.

It was fun playing these World War II songs that I heard many times as a child. It brought back wonderful memories of my family members, now long passed, as they sang and danced to this music. Thank you for making this collection available.

I gave this to my mom several years ago. It's so popular among her friends that her copy was stolen from the assisted living apartments lounge!

A very good selection of songs from the World War II era. Those were my teen years so was familiar with half of the fifty songs included in the book. I have never been disappointed with any of the Hal Leonard decade series and this is no exception. The suggested chords which I use to play are well chosen to give the song the familiar sound of the popular recordings. The book arrived in the time given and was in excellent condition as well.

Just perfect! Great selection of 1940s music.

My sister played songs from this book on a recent visit and loved it so much I ordered it for her and sent it to her at her convent in Ohio. Now all the priests and nuns enjoy all the songs we remember from our youth.

A wonderful collection of times gone by.....the ladies and gentlemen in the nursing home dance to this music as I play the piano....and they are all very happy to re-live their teen-age years.....there are lots of beautiful songs to choose from as well!
