# Christian Science: Daily Supplies

*Christian Science:  
Daily Supplies*

Christian Science Monitor  
Home Forum Articles

## Synopsis

"Daily Supplies" is a compilation of 11 Christian Science religious articles from 1916 through 1922 that were originally printed in the Christian Science Monitors on the Home Forum Page. The articles are all based on the quotation: "God gives you His spiritual ideas, and in turn, they give you daily supplies." (Miscellaneous Writings p. 306-7) by Mary Baker Eddy. The pamphlet includes such articles as: "God's Law of Supply," "Time and Unfoldment," "Our Daily Bread," and "Enough".

## Customer Reviews

This book contains 12 teachings of Christian Science from the years 1917 to 1921. Each subject covered I found helpful in different situations in life. This book was meaningful to me because I found it gave the Christian Science perspective on these teachings. My favorite sections were: Our Daily Bread. Many Mansions. Enough. I highly recommend this book.

What a wonderful reading to remind of how many blessings I have daily. This spiritualizes my

thought for today knowing only the good God bestows upon me is what I want. When applying for a job a few days ago I read this when I was thinking about the employment. I really didn't want the job and wanted someone who needed it more than me to receive the position. I haven't received a call for the employment position but I did realize all of my needs are being met even without that job. Thanks to daily supplies I am grateful for the day at hand and truly am blessed right now. This is a great read for everyone looking for employment and not receiving a response .

Reading early twentieth century writers on Christian Science practice, in clear language, is a eye opener. The booklet offers practical spiritual steps in meeting financial, work, and supply challenges in everyday living. It has helped me

This book does not accurately represent christian science and could mislead the reader. At times I think it borders on plagiarism of authorized christian science literature.

Inspiring and uplifting.

A very inspiring collection of articles all with a similar focus. I like having it readily available on my Android Kindle.

These articles offer very timely and useful "how to" put the truths of the Bible to work to improve our daily lives.

Lots of gems!!!!
