Mask Of Dragons (Mask Of The DemonSouled Book 2)

Synopsis

MAZAEL CRAVENLOCK is the last of the Demonsouled, and has defeated every enemy who ever challenged him. Yet in the sinister Prophetess of Marazadra, he faces a subtle foe unlike any other adversary. And unless Mazaël's masters the Prophetess's deadly game, the dark goddess Marazadra will rise in blood and terror... ABOUT THE AUTHOR Standing over six feet tall, USA Today bestselling author Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works.

Customer Reviews

2 things that keep this book from getting a 5 star review. First is the number of spelling and grammar errors that after 8 novels should have been fixed. If you don't want to get a publisher who would have found and corrected this than get 10 friends to proof read it before publishing. Second is the fact that there is still no map of the world done and I continue to get confused about locations in the book. If you don't want to do one yourself then hire someone to do it and put it in every novel of the series.

I love anything he writes, have read most of his series and thoroughly enjoyed.

I love the story as always. I just don't care for all of the errors and lack of editing.

Love this writer. Have read as many of his books as I can.

Jonathan Moeller does it again. He adds another classic in the Demonsouled world that is an amalgamation of Game of Thrones meets Devil May Cry. The second instalment of the Mask of the Demonsouled is his best yet and one of his best books he has written to date.

Started reading and couldn't put it down! Love the characters and the new evils they face. Cannot wait for book 3!

The long awaited second book sees the return of Mazael Craven lock as he faces off against his father's old enemies. Superbly written as always.

Now I'm ready to continue reading the next book in the series. I really enjoyed reading all his books and can't wait.
