Discover the inner sanctum of Freemason's Hall, see Napoleon's toothbrush, marvel at a hoax plaque hidden in plain sight on O'Connell Bridge, try George IV's footprints for size, venture into a Georgian time capsule on Henrietta Street, cross the bridge beneath which William Rowan Hamilton had his "Eureka" moment, explore a "museum" flat preserved exactly as it was almost 100 years ago, tune into the world of vintage radio in a Martello Tower, spot Dublin's subterranean river, or post your thoughts in a mystery letterbox. Dublin offers endless opportunities for getting off the tourist grid - for peering into the city's fascinating past and present. All you need to know is where to look | and who to ask for. Secret Dublin - An Unusual Guide is an indispensable resource for those who thought they knew everything about the city, or who want to discover its hidden treasures. Skip the crowds and clichés, and really get beneath the city's skin |

I've used this guide to help me explore Dublin on my free time during business trips, and after exploring the city for a couple of weeks now, I can give it a big thumbs up. Not everything in the book will appeal to you, but there is more than enough to interest me and get me off the regular streets to visit some of the quirky sights listed in the guide. Finding things can be challenging at

times--a more detailed location guide for each sight would be handy, to provide street-level details to help you find the spot. The book is well worthy the price and has become a valuable companion that I slip into my back pocket when I go out to explore the city.

Loved it all! The book is well organized into city sections with highlights, maps and descriptions of the strange, the historical, the interesting "hidden tidbits" within. Easy to read, great size to tuck into your pack, wonderful pictures! I plan on getting more of this book to give to friends heading to Dublin. A grand treat to be sure! Thank you Pat for the time and energy you put into this book and for the obvious love of Dublin you share! Slainte! Joan

I just got back from Dublin and brought this along with. This book was a great resource to find those "hidden" sites in Dublin that weren't all touristy. I have friends that have been to Dublin several times and haven't seen 1/2 the things we did because we saw it in the book. A MUST is the St. Michan's church!! If you are a history buff like I am, you'll really enjoy some of the book's recommendations.

Good info of off the beaten path things to see. Can't wait to find it all on my trip in August!

LOVE this great book on hidden gems in Dublin. I have quite a few pages bookmarked for our trip back to Dublin next year. The author did a great job with this book.
