Dobro Primer Book For Beginners Deluxe Edition With DVD & CD

Synopsis

The Dobro Primer Book For Beginners Deluxe Edition with DVD & CD by David Ellis is specially designed for the beginning dobro player. A dobro may also be known as a resonator or resophonic guitar. This course starts with the absolute basics and advances to playing popular bluegrass tunes. The book features many photos and illustrations that teach you proper playing technique, how to read tab, how to tune a dobro and more. The book provides detailed instruction on right hand picking technique and how to use the bar with your left hand. We'll then put all of these techniques together to play some bluegrass tunes. All music is written in tablature and standard music notation. This course includes a DVD and an audio CD that plays all music exercises and songs at two speeds.

Customer Reviews

David Ellis is a multi-instrumentalist from Atlanta, GA. He plays resophonic guitar or Dobro®, banjo, guitar, fiddle, & mandolin. David has been playing professionally and teaching for 29 years. He currently plays Dobro® in bluegrass groups Cedar Hill & Pony Express and with acoustic country rock trio 3 Way Street.

Interesting well formatted book for beginning students of the instrument. I am a long playing musician of the standard fretted guitar, forget any thing U remember about guitar playing . Every thing is different from how the instrument is held ,hand & finger positions, etc. I am having a blast learning to play this instrument.

Great resource, good starting point

It's ok
