# Collins Easy Learning Italian Level 2 (Collins Easy Learning Audio Course)

## Synopsis

The next step in the Easy Learning Audio series, this CD-based course expands on the knowledge gained in the more basic course, enabling learners to converse at a higher level and with greater confidence. The three audio CDs guide learners through a series of 12 short units. Each unit introduces around five new key words or phrases before expanding on the basic vocabulary with practice activities, memory tips, and culture and etiquette advice. The accompanying booklet provides full transcripts of the CD conversations as well as helpful hints to guide the user through the course. Level 2 Easy Learning guides work well as a standalone course, but are designed as the perfect follow-up to the Easy Learning beginner guides. Units include: Checking in to the hotel; Hiring a car; Where are you from? Talking about yourself; How are you? Do you want to go out this evening? Where shall we go? What do you do on Sundays? A holiday in a foreign country; Making plans; What's the weather like? and On the phone.
