# That Costs How Much?: The Bride's Guide To Budgeting For An Unforgettable Wedding: The Bride's Guide To Budgeting For An Unforgettable Wedding

## Synopsis

Previously published as part of The Big White Book of Weddings. Entertaining expert David Tutera opens his files to reveal a wealth of detailed information about budgeting for the perfect wedding. It's tough to be a bride on a budgetâ "but David reveals his personal tips of the wedding trade that proves brides can be both sophisticatedly chic and realistically resourceful! From creating you budget before you start spending to the best questions to ask when researching costs, and how to cut costs in every area, from your accessories to the food and entertainment, Tutera has created a must-have for brides-to-be who want the perfectâ "and perfectly affordableâ "wedding.

## Customer Reviews

I was hoping for general figures, but was disappointed to find this book only gave ideas of how much a bride could spend on things like catering or invitations as compared to other parts of her budget. Don't bother buying if you already picked up David's "The Big White Book of Weddings", they contain most of the same information and the big book is more informative overall.

Awesome product! Would buy again!!!

Clear instructions, detailed lists, informative at every turn. I was reminded about details that escaped my notice, and learned how to put together a reasonable budget. Highly recommended for the bride on a budget!

Even though this book is authored by David Tutera the tips were for weddings of all budgets. The budget breakdown at the end will be helpful.

Practical, easy to digest, with some very useful tips on areas where expenses can be cut. As someone just starting with planning and already a bit overwhelmed, I found this to be helpful in terms of thinking through our initial budget, and a few budget scenarios.

As a huge fan of 'My Fair Wedding', I view the guidance and expertise from David Tutera as industry standard. Very insightful tips that I never would have thought of on my own and tasteful reminders of how to stay etiquette appropriate even in casual settings. Congrats to all the beautiful brides out there!

There is useful advice but very short book. Kind of feel like I was just getting into the swing of his advice and then ran out of book.

Does not answer the question in the title of "that costs how much?" Has general information about what kind of hidden costs to look for, and what extras to ask for/not ask for, but misleading title.
