Escobar VS Cali: The War Of The Cartels (Gangland Mysteries)

Synopsis

In the 1980s, Colombia was the scene of history's biggest gang war. The epic death struggle pitted Pablo Escobar, the so-called world's greatest outlaw, against the powerful Cali Cartel, led by the brothers Gilberto and Miguel Rodriguez Orejuela. The war left thousands of Colombians dead and spawned the term, narcoterrorism. Who got Pablo Escobar and how did the war play out? Author, Ron Chepesiuk takes the reader behind the scenes of the war to the death and investigates a gangland mystery.

Author Ron Chepesiuk has done it again: another true crime classic! David Amoruso of Gangsters Inc. Ron Chepesiuk once again takes a gritty element of organized crime history and puts his unapologetic stamp upon it with edgy, provocative and entertaining zeal. The timing for this expose couldn't be more relevant! Christian Cipollini, author of Diary of a Motor City Hit Man: The Chester Wheeler Campbell Story Only Ron Chepesiuk could write this book and get the real story. With his experience, meticulous research and ability to talk to those in the know Ron has written a great and thorough investigative book that gives up the inside info on the war for supremacy in the cocaine trade. Seth Ferranti, author of Gorilla Convict and Rayful Edmond --1

Rock Hill, SC based Ron Chepesiuk is an award-winning author, screenwriter and documentary producer and director. He's a two-time Fulbright Scholar to Bangladesh and Indonesia and a

consultant to the History Channel's Gangland TV series. As an expert interviewee, he has appeared on A&E, History Channel, Biography Channel and Black Entertainment Television. His books include Drug Lords, Superfly, Gangsters of Harlem, among others. He is also Executive Producer and co-host of the popular radio show Crime Beat.

Good book if you are starting out, however this writer is just rewriting what he has done before, no new information, no new photos, I am very disappointed in this book, and will not buy any new books writing by the writer. His past 2 books are of a very low standard. If you want to read excellent books read his early work, on the cali cartel, and the godmother, they are great books. Cocaine Wars is another great book.

An awesome and very intriguing book that looks at the war between the Medellin and Cali cartels in Colombia in the late 80s and early 90s. This story is one that has been little told and often referred too but the details have never been given until now. Historian and drug war expert Ron Chepesiuk goes in depth like no other writer can to give you the real on this gangland mystery. He tells the story from the inside and gives details that have not been made public before. If you want to know what the real deal was and how it went down and what really happened then definitely check this book out. This book is a fine addition to anyone's true crime, Pablo Escobar or Cali cartel collection. If you like true crime reads then this book is for you. Order it today and check out all Ron Chepesiuk's other book on urban gangsters and the cocaine mafias. Seth Ferranti, author of The Dope Game Misadventures of Fat Cat and Pappy Mason: The Most Infamous Gangsters from Hip-Hop's Lyrical Lore and The Supreme Team: The Birth of Crack and Hip-Hop, Prince's Reign of Terror and the Supreme/50 Cent Beef Exposed
