Customer Reviews

If you're looking for romance with out all the sex these are the book s to read. Fun stories with happy endings most of them are the way you knew they would be. Some typos but nothing major. Very enjoyable.

Linda brings life to happiness. Love her books & look forward to reading all of the next ones. These are the books that I can't stop reading!

Nice set of stories all about finding love in a place called kissing bridge. If you like love stories you will like this series. All the stories in this set were good

It's fun reading a series by the same author following people you come to care about. Kissing Bridge sounds like a place with caring neighbor's.

The stories were all interesting .It was nice go see Summer &Brad fi ally together & enjoyed Dodie & Jason finding each other& lastly that war hero Dayton & the lodge owners granddaughter Elle end up together. very Romanticic stories with a little twist here &there.

I got Christmas Kisses and Cookies through BookBub free or reduced rate and laughed and

enjoyed it immensely, so after I finished it, I decided to order the set of 4 books in the series and have laughed and loved Christmas Cookies and Christmas Bridge just as much as I enjoyed the first book. I would, and have already recommended this new (to me) author to my best friend. I would not hesitate to recommend these books to anyone. Enjoy!

I enjoyed reading this series and getting to know the characters more through each book! Sometimes the storyline felt too predictable, but I really liked how everything came together in the end with a slight surprise. Very fun and engaging stories!

Loved them all... made me laugh, cry but mostly hopeful for love. Can not wait to read the next chapter.
