Bill Carey Rides West/The Town No Guns Could Tame/Bowdrie Rides A Coyote Trail

Synopsis

This three-story collection includes: *Bill Carey Rides West* Life on an Ohio farm couldn't hold young Bill Carey. He wanted the adventure he knew waited in the territories to the west. He'd drifted into the outlaw life, and now he found himself holed up on a small farm near the lair of Tabat Ryerson. Ryerson, the man who'd introduced him to cattle rustling and bank robbery, a cold-blooded killer. On a remote little farm, Carey's caught between both sides of the law, and he finds a reason for staying alive in a rancher's pretty daughter. *The Town No Guns Could Tame* Basin City is a place where no respectable citizen feels safe. That's why three of the town's foremost businessmen have gone and hired a new marshal. Tomorrow he'll be in charge of protecting a stagecoach carrying over a quarter million dollars in gold. For Perry, a gunfighter on the run, this job should have turned his life around. Instead, it's landed him in a peck of trouble. *Bowdrie Rides a Coyote Trail* On the trail of a ruthless killer named Carl Dyson, Ranger Chick Bowdrie finds the body of a rough-riding Californian left to rot in the sun. With the dead man's horse in tow, Bowdrie ambles into the middle of a dispute between the H&H ranch and the Darcy spread. Seems some H&H hired guns are giving Jack Darcy a hard time . . . and leading the troublemakers is ranch owner Rack Herman. Will Bowdrie travel far to track down Dyson . . . or is this killer closer than he thinks?

Louis L'Amour is the only novelist in history to receive both the Presidential Medal of Freedom and the Congressional Gold Medal. He has published ninety novels; twenty-seven short-story

collections; two works of nonfiction; a memoir, *Education of a Wandering Man*; and a volume of poetry, *Smoke from This Altar*. There are more than 300 million copies of his books in print.

Too many of these with different titles have the same short stories, plus bad language, not family friendly.

I love L'Amour

We hadn't read these in any of the books, so we loved these stories. True to L'Amour writing, the stories hold your attention and make driving time enjoyable. Highly recommend.
