Colorado (Insight Guides)

Synopsis

This brand new edition Insight Guide provides all the information you need to enjoy the breathtaking scenery and captivating culture of Colorado. Well-researched text provides explorations of major sights and attractions, such as Colorado Springs, the amazing array of wildlife at the Rocky Mountain National Park and the sprawling metropolis of Denver. Clear, colour-coded sections make it easy to navigate around the book. Places of interest are cross-referenced on full-colour maps throughout the guide, whilst additional maps can be found within the front and back covers, providing instant orientation. In-depth features on history cover everything from the native people of Colorado to the discovery of gold and the Meeker massacre. There are also features on Outdoor Adventure, Mountain and Prairie Life, even the intriguing ghost towns, giving you a rare insight into the culture of this fascinating country. The guide also contains comprehensive information on eating out, shopping, nightlife, sport and accommodation suitable for all budgets, along with contact information and many other useful travel tips. The unique combination of insightful exploration alongside practical advice means that this guide truly is a pleasure to read before, during and after your visit.

Full-color travel guide to Colorado, the Rocky Mountain State, with comprehensive descriptions of all sights and attractions, and practical information. This guide covers the whole of the state, with full-color photographs and maps throughout. The Features section focuses on Colorado's

history and its diverse people and culture. The Places section covers where to go and what to see, from the Eastern Plains to the Mesa Verde in the Southwest Corner. --This text refers to an alternate Paperback edition.

I bought this before our trip to Colorado in order to plan some day trips for my husband and me, but it was filled with information about Colorado and not necessarily attractions in the various parts of Colorado that we could enjoy each day.

Great for history and some things to see/explore. I was hoping for more information on recommended activities, restaurants, and accommodations. I do not find myself grabbing this book first when planning weekend getaways in Colorado.

After using multiple travel guides, I have settled on the Insight Guides because of the extensive photos and quality of their publications. This one, like the others, is excellent.

Great ideas for my upcoming vacation. I like the info on scenic drives and good reliable directions. Beautiful pictures too

Good detail without being too detailed. Just what you'd expect from a guidebook. Good pictures. Reasonable maps. I enjoyed it.

This was a very informative book. It had a lot of information in it that I hadn't already read and was full of great pictures. It had a different take on things, not just a book telling you which restaurant to eat at or which hotel to stay at. A pleasant read full of much information about Colorado.

Give information on the entire state great if you are visiting the state. Has pictures which I like to look at

We bought this book before our first trip to Colorado. It was with us all the time and proved its worth.
