

The book was found

Happy Birthday, SpongeBob! (SpongeBob SquarePants)

I liked It a lot it is fun and. The cartoon is funny and it is just great and funny

My 5 yr old loves all things Sponge Bob and likes this book. We're teaching him to read and so it seems adequate for this purpose.

Spongebob is always a winner! She was very delighted to get this book. I gave it as a Christmas gift

Gave as a gift for a Sponge Bob themed Birthday. Along w/ the Special Delivery book. Great gift, hope they enjoyed reading it.

This book is really cute. My 4 year old is learning to read, and it has really helped him. And he loves sponge Bob.
