Gotta Have It: 69 Stories Of Sudden Sex

Synopsis

Rachel Kramer Bussel has collected a wide and wild variety of original erotica stories that are deliciously short - just one orgasmic bite at a time. In 1,200 words or less, these authors explore every which way you can "get it on", including threesomes, sex toys, public sex, BDSM, fetishes, and much more. Get "Anal-yzed", learn "The Advantage of Working from Home", and spy some risqué "Vacation Pictures". There are pecan rolls dripping in caramel and meals where lovers feast on nothing but each other. From crossword puzzles to Godzilla, these tales are perfect for reading aloud before you live out your own frisky fantasy. For those who like their sex quick and naughty, Gotta Have It has a host of erotic offerings to get you going.

Customer Reviews

Steamy, but not exactly all that it was hyped up to be. By the editorial reviews and author summary along with my personal knowledge of another compendium by this author, I was wholly excited by this purchase. Maybe I amped myself up... I hesitate to say it was bad, just, felt like a let down. So much so that I had to warn potential buyers. I'm not urging you one way or another as these books are by far a notch above the rest, but if you're stuck between 2 choices maybe this review will help.

Nothing you couldn't come up with yourself. Just use your own imagination and you'll have your own stories.

Some of these are better than others. About as you'd expect.

I do gotta have more of it!

not well written

Great short stories for people interested in fantasizing about other people's lives and awakening their own deep desires late at night.

I didn't love every single story, but there are at least a few stories that every single person can love. Nice short little trysts just long enough without being too long.
