Awesome seller & shipped it out to me fast! I will buy more books! So far this best book! Hope to find more books this good. I love reading these erotic romances..God Bless! Happy Valentine's Day

Multiple characters. Enjoyed the stories!

Good book, but it could use some pics. Very descriptive and non-pornographic. Make it a couples read with your spouse!

fantastic idea to read to each other... maybe act stuff out... highly recommend

Great stories, great ideas. Some were obviously rookies, others were well thought out and excellent. Thanks for the wildness lol

not what I was expecting.

Ummmm loved it.

I have not gotten very far in the Kindle edition, but the 3 chapters I have read are really well written and "hot". They can definitely make anyone excited. The book consists of short stories, which pretty much cut to the chase and don't get into a lot of BS. I wish I had gotten the book instead of the Kindle edition. Very good book and like I said, very well written.
