Stephanie Ackerman is an ordinary girl living an extraordinary life where she gets to do what she loves for a living. Her purpose is to create, inspire, teach, and encourage others through creative arts. At any given moment she might be praying, doodling, running, baking chocolate chip cookies, doing laundry, trying to match socks, doing more laundry, organizing piles, at the airport or coming home from the airport, stitching, taking a nap (which I do every day) or all of the above.
