The Puppy Place #28: Teddy

Synopsis

Welcome to the Puppy Place--where every puppy finds a home! Charles and Lizzie Peterson love puppies. Their family fosters these young dogs, giving them love and proper care, until they can find the perfect forever home. From the first time Lizzie sees Teddy the Pomeranian, she knows that this alert little puppy has some special talents but he just won't stop barking! When all of the other members of the Peterson family lose their patience, Lizzie sticks it out by training this pup to be helpful around the house.

Customer Reviews

Ellen Miles loves dogs, which is why she has a great time writing Puppy Place books. And guess what? She loves cats, too! That's why she came up with a brand-new series called Kitty Corner. Ellen lives in Vermont and loves to be outdoors every day, walking, biking, skiing, or swimming, depending on the season. She also loves to read, cook, explore her beautiful state, play with dogs, and hang out with friends and family. Visit her web site at www.EllenMiles.net.

I love reading about hearing dogs and how Lizzie trained teddy it was all so fun to read about but

teddy had a sad story i can't believe anyone would do that teddy is my 3rd favorite book in the puppy place series i have a dog named major my favorite dog breed is a beagle i love this book.

This story is pretty much about a cute little dog named Teddy. Lizzy thinks that he could be a service dog. Like those dogs that help blind and deaf people. I give this book a 4 star review!!:)

My daughter loves it

first grader liked it

Great books for kids! We read a few chapters every night at bedtime.

I really like this book because teddy finds a great home and Matthew finds a dog that can help him through his life. They always find great homes for the puppies that they foster

Bought for 8 year old grandson who loves dogs and this series is great for him.

I think this is a great way to achieve a goal by reading this book. I think this book is awesome. I think this book would have a 5 star rating.
