Francis, The Poor Man Of Assisi

Synopsis

Beautifully drawn illustrations pair with great storytelling in this glimpse into the life of Francis of Assisi. In lively prose and folksy paintings, Tomie dePaola gives a glimpse into the life of Francis of Assisi. After witnessing his father disrespect a beggar, Francis comes to forsake his worldly possessions and travel from village to village helping the poor and sheltering animals. dePaola's recognizable artistic style and episodic telling of events in the life of Francis are accessible to young readers, and the humble tales of the lives of the saints are told with tenderness and reverence. This is a fixed-format ebook, which preserves the design and layout of the original print book.

Customer Reviews

Tomie dePaola has a gift for retelling stories of faith. I love his illustrations and the way he tells a story in such a way that both children and adults will take away something from it. I had this book for my children and have long used it as a read aloud with my religion students. I have recently purchased used copies to put away for future grandchildren. I wish they would put this back in print.

While I love Tomie dePaola AND St Francis...this kindle edition of the book claims to be incompatible with my kindle and will not upload. Not sure how to request a refund for this item...

Wonderful, informative, enjoyed by multiple age groups.

Great book! Wonderful service! Thank you!

This is a lovely book about Francis for children and adults alike. Good purchase.

Just what I wanted

Tommie DePaola always inspires with his story and illustrations. He makes the world a better place with every book.

I love all of his books about saints. I feel as if I am listening to my beloved grandfather when I read his books. Such love and wisdom.
