Disney Parks Presents: Pirates Of The Caribbean: Purchase Includes A CD With Song!

Synopsis

The song "Yo Ho (A Pirate's Life for Me)," composed in the 1960s, echoes in the treasure-filled caverns and salty seaside villas of the world-famous Pirates of the Caribbean attraction. Guests leave their boats with their hearts held captive by this boisterous song. In this book, Mike Wall's original illustrations accompany the lyrics of the beloved song, and together they navigate readers through the firelit waters of the pirate-infested Caribbean. The included CD featuring "Yo Ho (A Pirate's Life for Me)" invites people to relive the adventurous attraction or experience the magic for the very first time as they read.

George Bruns and Xavier "X" Atencio, both Disney Legends, created "Yo Ho (A Pirate's Life for Me)" together, with Atencio writing the lyrics and Bruns composing the melody. Bruns composed the scores for over a dozen Disney movies and was a four-time Academy Award nominee for his work with Disney. Atencio started his career with Disney as an animator, working on classic Disney films. He later became an Imagineer and scriptwriter and helped create several Disney Parks attractions. Mike Wall began his career as an illustrator at the age of sixteen. He went on to become a graphic designer, as well as a background and visual development artist for the animation industry, and has

illustrated many children's books.

I'm a little disappointed in this one because the CD it comes with doesn't have the intro to the ride like the text in the book does. The Haunted Mansion book's CD has the ghost host intro, so I was expecting this to have the pirate's skull intro ('avast, you be seeking adventure & salty old pirates') as well. It has the intro written in the book, but the CD doesn't match. The CD is just the 'pirate's life for me' song.

Great book! It has really bright, fun illustrations. The pages contain the narration from the ride and the words to the song. It has all your favorite scenes from the ride, plus the CD of the music! I also have the Small World book and the Haunted Mansion book. They're all so fun! Love them!!

Since I had purchased the Haunted Mansion book in the series, and loved it...I had to get this one as well. The art in this book, as well as that one, is beautiful and whimsical. I'm not a kid, but these books are based on my two favorite Disney theme rides so the purchase was a no-brainer. The included CD w/only one song/narrative, was a nice bonus. All ages should enjoy this book....even if not a Disney fan.

My 8 year old grandson can't put this series of books down!! We listen to the cd (while he reads the book) as we drive in the car together. Very entertaining (especially if you have gone on the ride or are heading to Disney soon!) Highly recommended by this retired reading teacher!!

Mybtiddler who loves the ride loves this book! She asks that my husband read it to her every single night.

If you and your kids love DisneyWorld you'll love this book.

Great Product, great price and fast shipping!

Great book and CD
