She Sheds: A Room Of Your Own

Synopsis

Create your very own hideaway right at home with She Sheds. They've got their man caves, and it's time for you to have a space of your own. She Sheds shows you how to create cozy getaways with inspiration from across the country. Start by defining the goal and purpose of your space. Will you use it for entertaining, crafting, or alone time? Then, use the gallery of over 100 photos as inspiration for your decor, paint colors, and landscaping. You'll even find fun upcycling ideas to personalize your space. Get inspired, and get started on your very own tricked-out retreat!

Great ideas for a woman's getaway. Love it.

awesome if you like to dream of the possibilities

The pictures are great and I got a lot of good ideas. I really loved this book and would definitely recommend it.

Really like this book. Very reliable company

I loved this book. Great ideas!

This book is great for getting ideas on different types of she sheds. Lots of good advice here and price info.

Just what the wife wanted!

This is Michael's wife--I have only been able to peruse this book thus far, but I am very happy with it and can't wait to really dig into it. The book has lots of gorgeous photos and significant material, and it appears to have an easy, lively, and helpful text. There is some definite creative inspiration within these pages!
