Unexplored - Rise Of The Crimson Kingdom: A LitRPG Adventure (Book 0 Unexplored Cycle)

Synopsis

Paul had waited months to play Unexplored, the latest fantasy VRMMORPG boasting a realistic feel, exciting combat, and the opportunity to experience sensual pleasure. Even an extremely nervous and socially awkward guy like himself could live an exciting life. Unexplored was everything he could have dreamed. What he didn't expect, however, was joining a player guild led by a cunning megalomaniac who dealt in secrets and seemed intent on world domination. As the elf Estelar, Paul helped lead the guild to greatness, meeting new and interesting friends along the way. In return, he was rewarded with all the food, ale, women, and gold he could ever want. Life is awesome, until he meets a down-on-her-luck dwarf named Fonwilsia during a caravan raid which leads him to question himself and his role so far in the game. Wealth, power, and all their benefits were his to enjoy as a member of the Crimson Warriors. The only question was, how far was he willing to go to keep it?
