1980s Quiz Book: 1000 Questions For The Whole Family - Music, Movies, Travel, TV, Sport, News

Synopsis

How well do you remember the decade of Dynasty and Duran Duran? Test your knowledge of the iconic eighties with 1000 quiz questions that cover the music, movies, TV, sports and current events of this most remarkable era. These were the years when the A-Team, Street Hawk and Knight Rider dominated TV, and our cities were full of power-dressing Yuppies with giant shoulder pads. Greed was good, until the recession hit. Michael J Fox, David Hasselhoff and Madonna defined a generation, and films like Top Gun, Star Wars and Back to the Future were run-away box office hits. The 1000 pot-luck questions in this collection of 100 quizzes will take you back to a time when Ronald Reagan and Mikhail Gorbachev quite literally ruled the world, Europe underwent massive changes with the fall of the Berlin Wall and we experienced a music revolution every bit as profound as the 1960s.

Customer Reviews

Bad bindery. The book is bound backwards and the pages are cut off so one is not able to read the entire question. Would like to have book replaced with whole book intact and ability to read full question. I don't mind paying for a replacement. It was not very expensive. I just reordered it. I didn't mind paying again because I think it is going to be a great book from the pages that I saw that were intact.

thanks
