Recorder For Beginners: An Easy Beginning Method

Synopsis

This book teaches everything you need to know to get started playing the recorder. Beginning with how to hold the instrument and make a sound, through reading music and basic technique, you'll be guided all the way to articulation, dynamics, and composing. With pieces in styles ranging from ethnic folk tunes to Renaissance dances and classical symphonic melodies, this book is a fun method for learning to play this very accessible and enjoyable instrument. The CD includes exercises and songs.

Customer Reviews

The step by step layout of the book and the illustrations are especially helpful for me. I have no experience viewing others play the recorder, and I am trying to teach myself how to play the instrument.

The recorder is hard to learn but this book helps.

My grand kids are already half way through this thing!
