Thomas A. Nelson is the author of Catholic Prayers and Pious Practices for Lent, two spiritual works. The former, dedicated to the Blessed Virgin Mary, Our Model in Prayer, was originally published in 2006 through TAN. A compilation of beloved and powerful Catholic prayers, Mr. Nelson's work was designed to assist the faithful in obtaining the graces and favors of God. It was also given the Imprimatur a year later by the Rev. Msgr. David D. Kagan, J.C.L.

This is a lovely eBook, with an active table of contents and over 130 Catholic prayers. More importantly, it has the Nihil Obstat and Imprimatur...i.e., which are the OFFICIAL, Catholic Church, declarations that a book or pamphlet is free from doctrinal, or moral error. In other words, while anyone can write or compose a book purporting to be a spiritual book, this has also been reviewed by Church authority and has been found to actually be free of doctrinal and moral error. This book's Imprimatur is Rev. Msgr. David D. Kagan, J.C.L., Vicar General of Rockford, Illinois, dated 2007. If you are a Catholic you will most likely appreciate this little gem. However, if you are of a protestant denomination that believes that having a friendship with the angels and saints (as well as Christ) to be a form of idolatry, than you might want to look elsewhere. Some of the prayers that are to be found in this book are, The Our Father Hail Mary Glory Be to God Apostles Creed Act of Faith, Act of

I bought this for my mother in law. She loves the large print, and the fact that she is losing her sight in one eye and can read this easily is a bonus. It has every prayer that she grew up saying plus many others. It also has novenas. I'm very happy that she is so happy. She uses it daily.

I must say that this is one the best Catholic prayer books I have read! Very complete and also having the complete pryer of tha Rosary! Highly recommend it !

Very nice and interesting compilation of prayers. My only problem, which is why I gave it 4 stars instead of 5, is the number of typos bother me. The typos range from mostly run on words to a few where the wrong words were used in making corrections, e.g. purpose for propose..

I bought some of these little prayer books a couple of years ago and kept one and gave the others as presents. They are so good I have almost worn mine out and may have to order more. When you can't think of what or how to pray this little book has the prayers that soothe your soul. I would reccomend it and would buy again

very good traditional catholic prayer book, but it seems to have no prayers for preparation before and thanksgiving after Mass. I don't get that at all, but otherwise, an excellent prayer book. Maybe the editor assumed most users would already have a missal with Mass prayers in it.

Filled with so many great prayers, of all different kinds. It is usable for any situation, any time of the year. I absolutely love this book of prayers. I have almost had it for a year, and I find myself always looking through it and finding something new.

Love, love, this prayer book so much! There are so many prayers in this book and they are written in the old traditional way. The book is divided into sections. I've bought this book for friends and they have loved it so much that they have in turn bought the book for others. It's just the best book of Catholic prayers! It is my favorite, my go-to book. I highly recommend!
