The Unbeatable Squirrel Girl: Squirrel Meets World ([Not Part Of A Series]; A Squirrel Girl Novel)

Synopsis

WHO RUNS THE WORLD? SQUIRRELS! Fourteen-year-old Doreen Green moved from sunny California to the suburbs of New Jersey. She must start at a new school, make new friends, and continue to hide her tail. Yep, Doreen has the powers of . . . a squirrel! After failing at several attempts to find her new BFF, Doreen feels lonely and trapped, liked a caged animal. Then one day Doreen uses her extraordinary powers to stop a group of troublemakers from causing mischief in the neighborhood, and her whole life changes. Everyone at school is talking about it! Doreen contemplates becoming a full-fledged Super Hero. And thus, Squirrel Girl is born! She saves cats from trees, keeps the sidewalks clean, and dissuades vandalism. All is well until a real-life Super Villain steps out of the shadows and declares Squirrel Girl his archenemy. Can Doreen balance being a teenager and a Super Hero? Or will she go . . . NUTS?

Customer Reviews

Shannon Hale and Dean Hale are the award-winning husband-and-wife team behind the Princess in Black series, illustrated by LeUyen Pham. Shannon Hale is also the author of the Newbery Honor novel Princess Academy as well as the New York Times best-selling series Ever After High.

Shannon Hale and Dean Hale live in Salt Lake City, Utah.

I may be outside of the YA target range, but dang did I enjoy this. It was just so dang peppy! Sticklers for Marvel canon may HMPH at some of it since it is very much its own continuity. Newcomers should be able to slide easy enough into it, so long as you at least know the movies and have at least culturally absorbed basic facts on other Marvel books. But yeah, I didn't know what to expect from this book, but I ended up loving up. Here's hoping the writing team churns out another nutty adventure in the future! They did a great job making Squirrel Girl feel strong and a bit vulnerable at the same time, the part with the people turning on her online legit gave me the sads. But yeah, if you like Squirrel Girl at all, I'd give it a read.

This was a super fun prequel to the existing Squirrel Girl comics. I love that it had a deaf character (who was totally awesome btw) because you don't see that often in books. Overall, it was silly and outrageous but that is Squirrel Girl in a nutshell (bad pun I know).

Got the Kindle version for myself, and it was so good, so clean, so much like a number of little girls I've raised and watched my daughters raise, that I got the hardback version for another granddaughter's birthday. (I need to find out Naia's reading habits.)

I haven't actually gotten a chance to read it yet because my daughter took it right after I got it out of the box and started reading it immediately. It is obviously a win because we got it just a couple of hours ago and she's halfway through. That's pretty high praise =)

This is actually a great book, It had a good story to it, it was fun. Keep writing more squirrel girl books.

Did I mention how much I love squirrel girl? She spunky and I related to her on a personal level as a younger child.

My 12 year old loved this book.

Like it
