James Patterson has written more bestsellers and created more enduring fictional characters than any other novelist writing today. He lives in Florida with his family. Duane Swierczynski is the Edgar-nominated and Anthony Award-winning author of Canary and Revolver. He's also written for comic books, TV and film.

Fast and easy read doesn't mean it lacks suspense or thrills. It took a while to figure out which character was speaking throughout but it soon flowed smoothly into an exciting first person narrative.

I enjoyed this book very much. Love these books. You can finish them in less than a day. The characters were so interesting and so was the plot.

Thought this was an everyday story until about half way through the book. Suddenly the storyline turned weird and I couldn't put it down.

Intriguing,sweet,quick read. I had to put it down for a while because the images were coming too fast and I was not ready for the bad news. I thoroughly enjoyed The House Husband.

Good book..Quick read.. Surprised at the Bad Guy!!! think it would have gotten boring before you could have finished a normal book page size !!Ã Â Â^Â Ã Â Â'Âœ

I finished it in one sitting. It kept my interest throughout the book. I didn't see the end coming which made it that much more enjoyable.

Great read and very intriguing but ended weird. Needed to read more...hope another segment continues the story and start a new one.

Good reading material . Kept you reading till the end. Going to tell my family about this book. They will surely read it.
