Customer Reviews

This book is one of my favorites in the series. I definitely recommend it to anyone like diary of wimpy kid. My one reason I didn't give 5 stars was because the book is very short.

It has trash talk at his level. Nate, the main character is a hoot as a sixth grader. He and the rest of his school had to go to Jefferson Middle School because his school had mold. His luck in going there was that he did not have the yelling teachings of Mrs Godfrey. Great book for any kid that enjoys comics.

It was a very good book and it was pretty funny and I really enjoyed this book it was good

it was Awesome and the people who say it's overrated Are overrated. I love BIG NATE BOOKS
