Fabulous!!! Just as good now as it was 20+ years ago. My 6 year old boy loves the stories!!!

good read

My 6 year old LOVES AO! So happy with our purchase

Held the attention of my 8 year old grandson. I also enjoyed the stories and conversations led me to believe he heard the message.

My 6 year old grandson loves listening to Adventures in Odyssey CD's while we travel in the car! Sometimes we don't want to reach our destination because we want to see how the story ends!

Bought this for our boys! They love the stories and listen to them at night. It makes bed time much easier.

In today's world where media teaches children thier perspective of what is right and wrong, parents need all the help they can get. This is a great series which teaches kids Christian perspective using situations that they actually face. I bought them for my 9 year old son and he is just starting to listen to them. I plan to give it to my 13 year old neice when he is finished! I have purchased several of the series and would recommend them to all parents!

If you are looking for a great way to keep kids of all ages entertained this is it. Adventures in Odyssey CD's are fun for kids while teaching great lessons. Kids can listen to these over and over and they are especially great for car trips. Probably best for 6-12 year olds.
