Book by De LA Hunt, Jill

The poor, forced writing can't stop me from reading and re-reading this book. I've been to the area once on an extended trip, and the pristine, wild land is embedded in my heart. This book helps me see even beyond what I was able to see in my time there, and reconnect me with a stunning, treasure of a land. And honestly, sometimes I even enjoy the writing, though I do complain about it.
