Masters Of Modern Soccer: How The World's Best Play The Twenty-First-Century Game

Synopsis

In *Masters of Modern Soccer*, Sports Illustrated writer Grant Wahl asks: How do some of the game's smartest figures master the craft of soccer? By profiling players in every key position (American phenomenon Christian Pulisic, Mexican superstar Javier "Chicharito" Hernández, Belgium's Vincent Kompany, Spain's Xabi Alonso, Germany's Manuel Neuer) and management (Belgium coach Roberto Martínez and Borussia Dortmund sporting director Michael Zorc), Wahl reveals how elite players and coaches strategize on and off the field and execute in high pressure game situations. *Masters of Modern Soccer* is the definitive thinking fan's guide to modern soccer. For a supporter of any team, from the U.S. national teams to Manchester United, or any competition, from Mexico's Liga MX to the World Cup, this book reveals what players and managers are thinking before, during, and after games and delivers a true behind-the-scenes perspective on the inner workings of the sport's brightest minds. America's premier soccer journalist, Grant Wahl, follows world-class players from across the globe examining how they do their jobs. This access imbues *Masters of Modern Soccer* with deep insight from the players on how goalkeepers, defenders, midfielders, and forwards function individually and as a unit to excel and win. Wahl also shadows a manager and director of soccer as they juggle the challenges of coaching, preparation, and the short- and long-term strategies of how to identify and acquire talent and deploy it on the field. A book that will stand the test of time, *Masters of Modern Soccer* is the most in-depth analysis of the craft of soccer ever written for the American fan. For any fan, player, coach, or sideline enthusiast, this book will change the way they watch the game.

Customer Reviews

GRANT WAHL is one of the world's leading soccer journalists. He joined Sports Illustrated in November 1996 as a reporter and was promoted to his current position of senior writer in October 2000. He is also a contributor to Fox Sports television, where he does insider segments, essays, and longform video stories. Wahl's last book, *The Beckham Experiment*, was the first soccer book to make the New York Times Best-Seller List.
