Customer Reviews

A Taste Of Oregon [Spiral-bound] [Jan 01, 1980] Junior League Of Eugene

A little disappointed as the originals were spiral bound, they would lay flat as you worked the recipe. This is hard bound, probably will last longer but take me a long time of use before it lays flat. An excellent cookbook however.

I use these recipes over & over. I have gifted this cookbook several times. If you find one available it is a great purchase.

I love this book so much that I sent a copy to my daughter...just to be told this is now the second copy I gave her. It is definitely my "go-to" recipe book. Most recipes are simple and include ingredients I already have on hand. I initially tried to buy the book at a local store, but it was unavailable. The owner told me she "can't keep the book on the shelves. It sells out immediately."

This cookbook is so full of Oregon history and great recipes that I ordered a copy for each of my grown children and myself. The recipes are easy and clear, maybe even mistake proof. Even my sons will enjoy it. It's wonderful to have my own history, I was born in Oregon, in a cookbook!

I lived in Eugene as a young mother. This was a standby favorite cookbook that includes many family favorites. We now have two homes and there is a copy in each kitchen. I just bought it for my daughter in law. Cookbooks put together by groups include tried and tested favorite recipes.

My favorite cookbook since 1982!

Love this cookbook, family favorite!

There are some outstanding recipes here. All of the ones I have tried come out exactly as they are rated. Also give you some excellent ideas on dinner recipes.
