Les Oeufs Verts Au Jambon (Green Eggs And Ham)

Synopsis

THE BELOVED CLASSIC, NOW IN FRENCH! Originally published in English as Green Eggs and Ham, this new French translation faithfully captures Dr. Seuss' beloved story and playful rhyme. Here is the classic tale of Sam-I-am and his creative, silly and even desperate attempts to have his "nouveau cuisine" sampled by one unadventurous critic. Perfect for learning to read French, Les Œufs verts au jambon also encourages readers to never give up when facing rejection and to keep an open mind about something new since that new thing may well be "so good, so good, you see."

Traduit du livre américain Green Eggs and Ham, cette nouvelle version française restitue fidèlement l'œuvre du Dr. Seuss, auteur réputé pour son écriture musicale, sa fantaisie et son humour. Voici l'histoire du sympathique éléphant Horton, qui parvient, à force de courage, à sauver les microscopiques habitants d'un gain de poussière. Parfait pour apprendre à lire le français, Horton Entend un Zou! Porte aussi un message: chacun mérite d'être aimé et soutenu, qu'il soit grand, petit ou même minuscule!

Ce livre commence a m'Ã©ner a cause de la rÃ©pÃ©tition, mais ma fille l'aime bien. Je suppose que c'est le cas avec tous les bons livres enfantins? Le morale de l'histoire est bon, et au moins une fois j'ai rÃ©ussi a convaincre ma fille a goÃ»ter quelque chose qu'Ã©lle ne voulait pas manger en faisant allusion a cette histoire.

I am taking a French class , so we decided to get some children's books for class. They are really great in French.

A wonderful book for my grand daughter who is being raised in a French-English household

I love exposing my almost-two-year-old to French, and this book is such a fun way to do it. If I were a French teacher, I'd have all my students read this aloud to help them with enunciation and rhythm. I absolutely love it, and my little girl seems to too. The translation is almost flawless -- I'm no expert, but I caught a few mistakes. But taking Dr. Seuss's brilliance into another language without sacrificing the rhyme and the meter should have been impossible, but they've done it!

This is so much fun to read to my kids! We all laugh and have fun with Sam C'est moi. The cadence is fantastic. I would recommend it to anyone who completed a few years of high school French and wants to introduce their kids to other languages.

Perfect book! I love the rhymes and the parameters are kept in the French translation. A great read in any language!!

We love this book! It was a favorite of mine and now my children get to enjoy it too! I have been searching for children's books in French that Papa can read with them... "Les Oeufs Verts au Jambon: The French Edition of Green Eggs and Ham" delivers. We have tried several other translated books that just don't work. Not this one! I am glad I trusted the other reviews. We will be reading this one for years :)

Very good translation. I read this one in French for my daughter and my husband the English one. My daughter loves both of them.
