both in horticulture. She has also contributed to other books and has written a number of magazine articles. Many of her books and articles feature her own photography. Currently, Oster maintains the family farm in Indiana, which includes extensive food and ornamental gardens. She writes about them on her blog and operates a bed-and-breakfast in a cottage on the farm.

Beautiful photos & great information.

Gift for a friend--I love it so much I may end up keeping it and buying another one for her.

My favorite calendar in the world!

I really thought there would be planting/pruning/harvesting dates suggested, this is after all a calendar. It's got good info/trivia/suggestions for herbs sprinkled throughout, but usable to garden with.

Gorgeous photos!

I purchased this calendar for a relative for Christmas 2015. She really liked it, and I would reorder next year.

I gave it as part of a Christmas gift. It was well received. Beautiful photos and recipes.

I bought it as a gift for a friend. It looks gorgeous and I think she loves it.
