Customer Reviews

We had problems with this on our Kindle and the Kindle fire. It is like it doesn't want to load. I would not buy and look for another tic tac toe game. Or go back to the old school and use paper. :)

Not good to play on Android device. Hope you can improve it.

Great Price and Quick ship - no problems - happy with purchase - would suggest this sight to others - happy

This game is alright but it got really boring after I learned this one stratigie..... im not going to say what it waz though..... four stars for the grafics and the stratagies, though.
