Loving A Cowboy (Hearts Of Wyoming Book 1)

Synopsis

Saddle bronc rider Chance Cochran knows a bad omen when he sees one, and Libby Brennan isn't just a bad omen, she's the woman he was married to, five years ago, for all of forty-eight hours before her father dragged her away and started divorce proceedings. It isn't by coincidence Libby Brennan shows up where Chance is celebrating the win that put him in the million-dollar cowboy class. Older and hopefully wiser, she comes to clear up a legal technicality as well as ask his forgiveness. Then maybe she can move on with her life. But saying she's sorry won't be enough to make amends to this cowboy who has endured a lifetime of people abandoning him. When Chance needs some help after sustaining an injury however, Libby may have a second chance at love.

Customer Reviews

I really liked this book, but it was a little slow going throughout the first quarter of the book. At one time I even considered not finishing it, but that's something I very rarely do. Thank Heavens I stuck

to my guns and trudged on, because this turned out to be a really fantastic book. The ending was so perfect, much better than I could've ever hoped for.

Thus book was so good, hard to put it down! It has lots of emotions in the characters. A very good read about friendship, family and love. I would highly recommend this book to anyone that loves a happy ever after story .

This unfortunately was only ok

A lot of soul searching and remembering and at times patience led to a very well told story. Very much enjoyed this book.
