Product Dimensions: 5.4 x 1.5 x 8.3 inches

Shipping Weight: 1.5 pounds

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #6,276,122 in Books (See Top 100 in Books) #60 in Books > Sports & Outdoors > Individual Sports > Juggling #58039 in Books > Humor & Entertainment > Puzzles & Games

## Customer Reviews

Nobody has ever claimed that you can learn to juggle by reading a book, but this book, written by a man who has taught over 300,000 people to juggle, shows with clear illustrations and text the how-to of juggling, leaving the prospective juggler to add determination and the requisite practice, practice, practice. Finnigan asserts convincingly that one should start with nylon scarves, as they are slow moving and thus more suitable for the beginner. After mastering the scarves three are included with the book, thus posing a control problem for libraries the author goes on to balls, clubs, cigar boxes, sticks, hats, and plate and ball spinning. The last chapters deal with performing, teaching, and health aspects. Recommended. Anne Twitchell, Univ. of Maryland Architecture Lib., College Park Copyright 1987 Reed Business Information, Inc. --This text refers to an out of print or unavailable edition of this title.

I have had this book for the last 10 years, and it is well-worn. It has been very useful in helping me refine my club juggling, devil stick, and ball juggling skills. The diagrams are well drawn, and Finnigan also provides hints for when things go wrong. He goes into details other books skip over (such as color-changing rings) and cigar box juggling. My only complaint is that this book isn't indexed, so you have to rely on the Table of Contents to search for stuff. All in all, I highly recommend this book.

This is the book that I turn to when I want to learn something new. It is not the best "Learn to

Juggle" book, but if you can already juggle, this book will push you to the next level. This book just expects you to want to learn how to juggle 5 pins, or learn complicated passing routines. The coverage complete, but brief. There isn't a lot of hand holding, but covers a lot of ground.
