Finding You (The Vincenti Series Book 1)

Synopsis

On the back of a recent break up and her mum's shocking news, Anna wasn't looking for love, but it found her. Lauren Vincenti comes from wealth. Her family has owned their famous vineyard in Corsica for generations and they have a personal reputation to protect. Married to Rachel, she lives and works in London as a lawyer. That is, until her father commits suicide and she is required to play her part in the family business. Anna is an up and coming artist, following in her highly successful mother's footsteps. Her chance meeting with the seductive Vincenti, and their spontaneous dinner together, changes her life forever. Is there such a thing as love at first sight? Can she ever trust again, and what happens when she does?

Customer Reviews

I really enjoyed this book. It was a very fast romance...pretty much instant but the two characters, Anna and Lauren, are very likable. Many obstacles are brought up and tackled throughout the book and the ending is pretty heartbreaking but the story is not over...guess I gotta wait for the next one. I

have a strong feeling Eva will play a bigger role in that one...can't say much more than that. Anyway, it is a well written book. Above par by most kindle Unlimited standards. Give this one a read if you've got the time. I enjoyed it and will be looking out for the next one.

Oh, My!!!! What a really good book. For a first time author Ms. Nichols has created a masterpiece and can not wait to read the sequel. Lauren is a lawyer and owner of a family vineyard. Anna is an up and coming artist. They truly experienced "love at first sight" and it is a well written love story. There are all sorts of twists and turns and you never know what is going to happen next. I don't know what to think of Eva and Rachel and how they will be involved in the next book. All I can say at this point is that I truly hope the story ends the way I want it to end. If you are wondering whether or not to read this, please do yourself a favor and dive right in. You will be so glad that you did. The sequel will be out in just a few days so the wait will not be long.

I really enjoy the book Lauren and Anna romance was quick but they were very likable characters and the ending was heartbreaking I do think Rosa and Eva are going to play more in the second book and probably going to be a problem for Lauren and Anna hopefully the second book come out soon

I loved that this story was fluent with its cultural boundaries. Beautiful women from all parts of the world and moving between vibrant cities and breathtaking scenery. There's no way anyone can possibly read to the end of this book without IMMEDIATELY buying the second one. Great stories get you invested with characters, I am hooked and eagerly await the 3rd book in this series. Thanks for the refreshing travel through Paris and London and Corsica.

What an amazing start to Lauren and Anna's story. I went through so many emotions! The chemistry between these two is absolutely scorching! This story is not just about love. It is also about the journey of making necessary changes in life to ensure that we keep moving forward and not become stagnant. It's a hard journey to face. The ending is the very definition of a cliffhanger! I can't wait to see what happens next. I definitely recommend!

Finding You was a great story that I couldn't put down. I was holding my breath at the end praying for Lauren and Anna. The characters were well developed and the storyline keeps you interested. Very well written. Great love at first sight story. Get Remember Us at the same time the cliffhanger

at the end will have you going right into the next book.

What can I say about this book? It is totally excellent. I couldn't put it down. It is beautifully written, the storyline and characters are amazing. I so enjoyed this book and the second book in the series, Remember Us. Highly recommended.

I love this book. Ms. Nichols does well in capturing their story and making you fall in love with them. I felt the warmth of the sun under the giant eucalyptus tree and felt such joy. My heart ached and smiled at the same time.
