## Customer Reviews

Andrew Edney, B.V.M., M.R.C.V.S., is a noted veterinarian. Currently president of the World Small Animal Veterinary Association, Edney has contributed to publications on animal husbandry, clinical nutrition, and comparative medicine. He is a fellow of the Royal Society of Medicine. Roger Caras, president of the ASPCA, is a well-known writer and commentator who specializes in the subject of animals.

As a person who is considering on adopting a cat soon, I found this book to be a useful guide to the basics with plenty of pictures and detailed figures. I found that it contained enough detailed information to get useful insight, and at the same time short and sweet to the point so you won't get bored reading it. I, myself, am a visual person so the illustrations were helpful to me, but might be a bit distracting to some others.

This tells the history of cats, but no helpful information on remedies for cats.

What a great book. Has everything you need to know. Never had a cat before so i needed this quickly when we saved a kitten. Although the kitten is no longer with us and in a better home, we are keeping this book for the future! A keeper.

Best book out there for cat owners. I have had this book many many years and just bought a copy for my niece who was getting a kitten for Christmas. Very handy to have

Lots of helpful information.

great information for new cat owner covers everything with pictures and diagrams

great book. Very informative. A must have for all cat owners. Good price , fast shipping, five star seller

I used this book in my classroom for one of my first graders to do research on cats with! it has great info that she could comprehend and she had an awesome report! Def recommend!
