Here Lies Daniel Tate

Synopsis

A young, street-savvy runaway looking for a place to call home realized he might have conned his way into the wrong family in this fast-paced and thrilling novel from award-winning author Cristin Terrill. It seems too good to be true when Daniel Tate, missing since he was abducted from one of California's most elite private enclaves at the age of ten, turns up on a snowy street in Vancouver six years later. At first too traumatized to speak, he is eventually able to tell the authorities who he is and is reunited with his overjoyed family. In time, they tell him, he'll recover the memories he's missing; all that matters is that they have him back. It's perfect. A miracle. Except for one thing: That boy isn't Daniel Tate. But he wants to be. A young con artist who's been taking on false identities for years, this impostor has stumbled onto the scam of a lifetime. Daniel has everything he's ever dreamed of—wealth, privilege, the chance to make a fresh start, and most importantly, a family that loves him. Now that he's finally found a place to belong, he doesn't question his luck. Until he realizes that maybe Daniel isn't missing at all. Maybe someone knows what really happened to the boy he's pretending to be—and if he can't uncover the truth, he could be next the next Daniel Tate to disappear.

Customer Reviews

GRADE: A+ONE WORD: HauntingHis name is not Daniel Tate. He isn't the sixteen-year-old boy who went missing six years ago. He hasn't just been found in Canada. Who is the teenager returned to Daniel Tate's grateful family?The young man posing as Daniel Tate is a liar and thus, an unreliable narrator. He thought pretending to be a missing California boy would buy him a few more days in a Canadian youth shelter. He never realized he walked into a wealthy family with more secrets than even he had. He had no idea they would embrace him without question or that he'd begin to love this family. He didn't know Daniel's little sister would adore him and that he'd be such a good big brother. He never planned to stay. Until Daniel's family started to feel like his own.Cristin Terrill pulled me into faux Daniel's life and his story with crisp writing, an authentic and sympathetic voice and a twisted tale of a family so full of deceit I never knew who knew what, each member a skilled liar except young Mia, the heart of HERE LIES DANIEL TATE.If you like fast paced mysteries and thrillers, you will devour this twisty tale of deception.

I loved this book so much! I can't say too much or I'll give away something. The narrator keeps you on your toes because you can't really believe everything, which he warns you about in the first pages. It's so twisty and well plotted, but the characters are so real that you will care deeply about them. The narrator is one of my favorite characters that I've read about this year.Do yourself a favor and read this book!

Really great read. Only reason it's not five stars is because of the ending. I liked the ending . . . but it wasn't satisfying enough. Definitely recommend.

I just finished this book and I really enjoyed it. It a different genre from Cristin's previous book but still the same clean style. There are plenty of twists and turns that make it hard to put down. Can't wait for he next one.

From its opening pages, Terrill paints a world that isn't quite right, and spins a deliciously tense page-turner of a novel. As a reader, I couldn't stop until I found out what happened next, and I

stayed on the edge of my seat for every moment.

A real page-turner. Suspense builds throughout. I really enjoyed it. Cristin's first book was excellent and this one is, too.

Amazing book for young adults and adults alike. I couldn't stop reading and wondering how it would end. Wish there were more!

Amazing book. Truly masterful. So many twists and turns. I ended up finishing this book in a day because I wanted to know what happened, and I was not disappointed!
