I love Claudia Nice books, so much attention to detail, so simple and easy to follow, and really down-to-earth explanations. Her work is absolutely beautiful. Great book for the novice and advanced artists. All books that I've ordered on .com have been quality and extremely helpful in my advancement from novice to advanced artist. I highly recommend this book.

This is my go to book when I want to paint anything beachy or ocean.

For the first time I was able to paint seascapes. I have two other of her books and loved them -- now I have three that I love.

Love this artist's books . Great detail and examples.

I love this book. It gives great information to obtain the colors of the oceans as well as suggestions to pain beach landscape.

Excellent

If I had one person I could study drawing and watercolor techniques under it would be Claudia Nice.

Haven't had an opportunity yet to fully explore this book but it looks wonderfully informative.
