Homemade Ice Cream Cookbook - 150 Amazing Frozen Desserts Recipes

Synopsis

Summer is already here! You probably always have a cold drink at hand or some cold treats to help you get through a hot day! We all need something to cool down and to help us relax during the summer! Speaking of cold treats, do you know which is the most appreciated, popular and delicious one? Yes, you're right! We're talking about ice cream! Who wouldn't be crazy about a tasty chocolate or vanilla ice cream? Who wouldn't like a fruity, nutty one or a special ice cream cake? If that's the case, then you are definitely in the right place. In this book we gathered 150 best Homemade Ice Cream recipes: Classic Ice Cream, Chocolate Ice Cream, Fruity Ice Cream, Nutty Ice Cream, Ice Cream Cake, Vegan Ice Cream. But wait! Are you hosting a party this summer and you want to amaze your guests a tasty ice cream recipe? Don't look anywhere else! You will also find here some of the most elegant party ice cream recipes. Get your copy and enjoy the summer!

Customer Reviews

This book gave a number of new ideas. It has recipes to use with and without ice cream maker. One of them uses snow! She even has began options. Some recipes require cooking the custard, others do not. Instructions are pretty simple to follow. Overall, good variety of flavors. This recipe book has

no pictures. Ali Julia review

Homemade Ice Cream Cookbook - 150 Amazing Frozen Desserts Recipes by Jennifer Evans Starts out with an introduction about summer and having cold treats. Each recipe includes the title, summary, prep time and servings. List of ingredients and how to make the ice cream in your ice cream maker. Nutritional information includes calories, fat-not broken up into good or bad, fiber, carbs and protein. There are no pictures. Not sure if you can substitute for a healthier option as you really need to use heavy cream and other canned products that are high in sugar and maybe sodium. Snow ice cream would probably be the healthiest to eat. Never thought to use alcohol in the ice cream, hmmm. Lots of different categories to choose from: classic, chocolate, fruity, nutty, party ice cream, and vegan categories.

This is a great book on Homemade Ice Cream. All of the things, tips and recipes that I need to know about Frozen Desserts are already included and well written inside. Jennifer Evans has done an incredible awesome job in compiling and creating this book. 150 amazing frozen desserts recipes are very healthy, delicious and easy to prepare. This book is really a great resource for those who want to learn more about Homemade Ice Cream.

Churn up one of these new and improved homemade ice-cream recipes at your next summer party. Make homemade ice cream in exactly the flavor you crave. Homemade ice cream can be a pretty intimidating affair, but the results can be so worth it. Making homemade ice cream is easier than you think! Give everybody something to salivate over with these yummy ice cream flavors.

Five stars? Is that all I can give? Really, this book deserves so much more. The techniques provided on these pages, as well as the suggestion it gathered, are worth far more than five stars and I would consider this book to be a great bargain at twice the price. Keep up the excellent work, Jennifer Evans. Highly recommended.

I must say I love ice cream most specially tasty chocolate or vanilla ice cream, Who wouldn't like a fruity, nutty one or a special ice cream cake, I am very glad to inform you that all of this is available here in this book. We can now do our own ice cream and enjoy it anytime of the day.

A delightful book, the author of which to share with us all kinds of ice cream recipes, most of which I

have never even heard, which became a pleasant surprise for me. Just a find for the sweet tooth. I also liked that the book contains low-calorie recipes, which practically do not affect weight gain. The book is full of experiments, what I liked.

This is by far the largest collection of ice cream recipes I have ever seen. The recipes are ranging from classic to very exotic ones, Like for example tomato Vegan ice cream. So far I tried making like 6 recipes, and we loved the Italian pistachio one! Mouthwatering!! Oh and the recipes feature nutritional info, for those who count calories.
