Just received this cookbook and I love it. Typical Gooseberry Patch in that the recipes are delicious home cooking. Made one of the Mexican casseroles the day after I received book....very good. Big plus in my opinion - lots of pictures to get you in the holiday cooking mood.

This is by far the best cookbook, along side Betty Crocker and Taste of Home. Beautiful pictures on every page, old reliables made better and new exciting ones that I look forward to making, like Banana Cupcakes and Country Breakfast Casserole, Eggplant Parmigiana and Easy Cheesy Lasagna! I really don't think you will be disappointed in this book! There's even a section on Pickles and Preserves!

Wonderful cookbook with wonderful recipes. I liked it so much I bought this one for my daughter. She is also happy with it.

I love Gooseberry Patch cookbooks as they are very whimsical and very easy to follow. They are fun just to read all of the information that is in all of their books. Would recommend this to everyone.

This cookbook has so many wonderful recipes in it. And, they aren't all really long with a lot of complicated ingredients. Wonderful pictures as well!

This was given to a friend as a gift. I already have a copy and love this book!

I am now collecting all of their holiday books. I have a friend who gives me one for Christmas every

year. You cannot go wrong with the recipes.

Always love the recipes in my Gooseberry Patch cook books.
