Answered Prayers

Synopsis

Sally Jones had been forced to live the life she was handed. Being young didn't protect her from the many obstacles she was to face. After Sally's parents were killed she was left in the care of her Christian Grandmother Mary Johnson. Mary did her best to instill the values of God into her only granddaughter and do the best that she could to raise her even in her old age. Sally felt like all of her prayers were answered when her Aunt Rachael walked back into the lives of her and her grandmother but that would only be short lived. After being raped Sally felt like life was forever changed and didn't know how she was going to get through such a horrible ordeal. She knew once again that she had to take her prayers to God but would He answer them yet again? It was time to make a decision and after coming back to Christ her eyes would be opened to what God's plans for her life were. Would it be too late for Sally or would she be able to use those trying times to help those who needed it more than she did?

Customer Reviews

This book had me happy and sad. I cried and got emotional but it was worth it. The prayers in this

book that these individuals did were awesome. I felt I was in church. Rachel came home just in time to be therefore Sally just as her grandma had. Sally was an angel in Karen's life. She help change her for the better. Greg was a god send he and Sally were the perfect praying couple. Brian was a good person for Karen. I felt bad for Carrie.

Oh my God Tammy this book is truly a blessing. ...I felt this in my spirit...it definitely brought tears to my eyes and I can see it as a short film.this book gave me the feeling of the movie imitation of life....that's how deep it was. Congratulations hunny!!! God is truly stupendous at what he already knows! Nesi Jordan

This book has the potential to be a great read but I must say the grammatical errors were excessive. There were a lot of repetition that didn't come off as a testimony. Overall, the story line is really nice and sends a positive message.

I really appreciated the spiritual maturity of Sally, Karen, and Carrie. Sally was an old soul who lived a life pleasing to God even though she had a brief detour in life. However, this book was the definition of grammatical error. It was not edited at all and it took away the enjoyment from Tammy's first book. I had a hard time finishing this book because of the composition of the story and all the errors. I highly suggest that the publishing company goes back and have it properly edited, and then resubmit it for the masses.

This book simplifies how young people can go the wrong way but with the help of family and prayer. Things can turn around. Each one of these young people faced challenges in their life but they decided to change and wait on God. This was a great book. I suggest if things has happened in your life and you are struggling with faith and waiting on God this is a good book to read.

I would like to say that I really enjoyed the story line and the characters. I truly appreciate the way the writer talked about how good God is and told of His blessings. I rated the book a four because of all the grammar mistakes, please let someone proof read your work, it would have been so much better. I would recommend this book for others to read.

I really enjoyed this book. every page that I turn was exciting. I would recommend this Book to all readers. keep up the good work and May God Bless You. M.F.cooper

This story was a beautiful testament of how God delivers us from our trials and tribulations, and how each person had to come to know Him for themselves. Beautiful story!
